RB Health Partners, Inc.
P.O. Box 1116
Crystal Beach, FL 34681

Dear Robin

Over the last 6 months, we have utilized RB Health Partners at two Brighton Healthcare facilities and have been overly pleased with the services provided. RB Health Partners helped us get back into compliance and they became a part of the team. They helped us streamline processes, implement audits, and increase the overall quality of care in our facilities. We give RB Health Partners an overwhelming 5-star review.

Thanks,

Brad Myers
