Hello Robin,

I want to thank you and your team very much for all the support you've provided to the buildings throughout this process! Your assistance played a vital role in the process, and we are very thankful for all of the help, guidance, and support you have all provided! I would also like to say that it has been a pleasure working with both Staci Goldstein, MS, C.D.S. Director of Accreditation Services, and Eddie Broom, MSW, C.D.S. Director of Human Services & Sr. Accreditation Coach through the process. Their knowledge and expertise have been invaluable. Having worked with Staci for two consecutive cycles and with Eddie once, I must say it has been an honor and a privilege to work with both of them, they are truly an asset to RBHP!

Thanks again for all of your help!
