Dear Robin,

This letter is to note our satisfaction of your organization and the services we have received. While Clear Choice has had a long and productive relationship with you and your team, my experiences are more recent. Thus far, I have worked with your Administrator of Business Services (Cara), Quality Improvement Consultants (Eddie and Staci), Health Information Consultant (Heather), and you.

I can honestly say that each experience has been professional and courteous reflecting a strong knowledge base of each Team Member I have met thus far. My most involved relationship has currently been with Eddie and Staci your Quality Improvement Consultants who have assisted me with our company Joint Commission Consultation and Coaching. My experience with both has been enjoyable. Each one has been a pleasure to work with, reflect their passion for helping others, and their skill level.

I would be glad to be a reference for you and your company. I invite you to post this letter on your website as a testimonial.

Sincerely,

*Rebecca Schachter*
