

Hello Robin

This is a note of appreciation for the dynamic RAI training that Wendy Davis, RN-BC, RAC-CTA, Director of Clinical Services, launched today for our KR staff.

The participants were engaged, challenged, and provided with working knowledge of how to mobilize the RAI process. I greatly appreciate that I provided a title and objectives, and the presentation mirrored exactly what I hoped it would be.

We are all looking forward to Day 2 and 3.

Sincerely,
