

Good Morning Ladies,

I wanted to write to you to express my most sincere gratitude to RB Health Partners for the exemplary knowledge shared and taught by its members. I have had the pleasure of working with Staci Goldstein as my guide for attaining The Joint Commission accreditation. Staci's professionalism, charisma, and patience is superb! Her skills and follow through have not failed me once. Staci answers emails and phone calls consistently and assists in anything needed. She embraces every question as an opportunity to teach. She is encouraging and makes you feel as if you are her only client with her undivided attention. I had the honor of having her coach me through my accreditation process and I must tell you, we passed with flying colors and we obtained information that has assisted us to excel in many ways. Thank you for the opportunity of working with you Staci!

Sincerely,

*Isis Fernandez,* RN, BSN, NHA
