

Dear Robin,

Thank you for assisting us for the past several months to review and improve our programs and support.

Doug Feller, my Campus Operations Director and I want to personally thank you and each of the RBHP Team for the tremendous help and support that was offered here at Village on the Isle. The RBHP Team included Tamra Adrian, Director of Regulatory Services, Kelli Landeau, Sr. RAI Specialist, and Wendy Davis, Director of Clinical Services. We are so grateful for all of the support by RBHP. The mixture of competence, kindness, and professionalism made each a pleasure to work with. Based on our experiences, we would be pleased to recommend your organization to anyone that was seeking skilled nursing center consultation.

On behalf of my team and myself I offer my gratitude and thanks.

Sincerely,

*Marylin Hayward-Bullock*
