

Proudly Announces Rehab Program Consultation

RB Health Partners has ***expanded its interdisciplinary team*** to better serve our clients!

Introducing: Diane Quinney, MS, CCC-SLP, MHA, Sr. Manager of Rehab Services.

There are many reasons why a facility would benefit from a qualified Rehab Consultation from RB Health Partners. These reasons include:

- Perform analysis of:
 - Operational processes
 - Productivity/outcomes
 - Rehab Program Return on Investment (ROI)
- Rehab Audits
- Rehab accreditation support
- Facility Rehab Manager orientation
- Denial prevention and management
- Rehab-focused Medicare Part A/B training
- Assist facility with annual Rehab contract reviews
- Software evaluation, selection, and training for your Rehab Team
- In-service/Education Program Development with or without on-site training
- Wellness programming for assisted living, independent living, and continuing care retirement communities
- Mentorship program for new Rehab Managers or those that work in stand-alone environment (on-site & telephonic)

Designed to support facilities with either outside, third-party Rehab providers or with 'in-house' therapy staff, we can assist you with an evaluation to consider your operational options and specifics and then assist with your clinical and operational plans.

Support for such services may also be provided by our Director of Clinical Reimbursement and or our Chief Clinical Risk Consultant as indicated.

Building Better Long-Term Health Care Solutions
