Dear Robin:

Just a brief note to thank you for participating in PRI's annual risk management conference of June 11, 2013.

So far, the feedback to your presentation has been overwhelming positive. Our clients are difficult to please, so this is very good news.

We hope the experience was a positive one for you as well. If you have any comments about the program that you would like to share, or believe you might want to present again in the future, please let me know.

Wishing you a warm and pleasant summer.

Best regards,

Jeanne Braun
